

Prairie Cities Soccer League and Illinois Fusion

PCSL offers affordable recreational soccer for kids ages 5 to 16 in Bloomington/Normal and it's surrounding areas. Illinois Fusion offers year-round travel based opportunities for those who want additional training. PCSL and Fusion are working together to offer an exciting line-up of summer programs. Stars of Tomorrow and Future Pros are camps for players interested in having fun with small sided soccer games. Speed & Agility, and Shots & Saves are designed for players looking for more specific soccer topics and an intense training environment.

Camp Mission:

Our mission is to provide every player the opportunity to play soccer in a supportive and rewarding environment that emphasizes learning, enjoyment, sportsmanship, and skill that fits his or her interest and ability.

Programs

A wonderful camp that provides challenges for beginners and experienced players alike. Players will be put into an environment that encourages them to be creative and explore their abilities while sharpening their skills. Fun small-sided games teach the children game tactics while allowing for skill repetition. 1st—5th grade.

Stars of Tomorrow June 30- July 3

Geared toward pre-high school age players who are looking for an opportunity to have fun while working on their individual skills and teamwork. Small games will be played to isolate skills and tactics in an effort to translate them to a larger game. The environment will be fun and competitive. 6th—8th grade

Speed & Agility June 16- July 3

Designed to improve the athlete's running speed, ability to change direction quickly, and core body strength. The latest training equipment will be employed to sharpen technique, build core strength, and develop coordination. Open to athletes wanting to improve in any sport. This course will be conducted twice a week for three weeks on Mondays and Thursdays. 6th—12th grade

Shots & Saves June 30-July 3

GOALKEEPER ACADEMY:

Training will be focused on the techniques employed in saving shots and dealing with crosses. 'Keepers will get plenty of repetition with live scoring opportunities from the other half of the SHOTS & SAVES clinic. 6th—12th grade.

GOAL SCORER ACADEMY:

The techniques and tactics of finishing and creating goal scoring opportunities will be our focus. Training and demonstrations will be combined with high intensity games to continually repeat match conditions in and around the penalty area. 6th—12th grade.
